## Residence Inn by Marriott® Santa Clarita Announces NEW Marriott Bedding Package

SANTA CLARITA, CA – April 15, 2006

The Residence Inn by Marriott® Santa Clarita located north of Los Angeles in Santa Clarita, California, proudly announces that it has completed its transition to the NEW Marriott Bedding Package in each of its 90 large full kitchen guest suites.

We've always made your bed, now we've made it better. On your next visit to Residence Inn by Marriott sleep in our new luxurious bedding that will rival the coziness of your own bed. Experience our thicker, comfier mattresses, plush upgraded sheets, and additional pillows fluffier than the sheep you won't be counting. Experience the new bedding collection at Residence Inn.

The new Bedding Package does away with the old-fashioned bedspread, featuring instead a quilted Vesta™ all-season comforter wrapped by high quality linens which are cleaned regularly. Our use of high quality linens, which "wrap" the comforter, ensures that we keep your bedding fresh and crisp throughout your stay. The bed features four brand new fluffy pillows.

Sales Director, Brad Cleveland, remarked, "The feedback that we've gotten from the guests has been overwhelmingly positive. It was one of the best investments the hotel has made for the guests."

"The Residence Inn by Marriott® Santa Clarita has so many great selling features and value added-services that the addition of the Marriott Bedding Package makes us the preferred all-suite hotel in the Santa Clarita Northwest Los Angeles area," stated General Manager, Shawn Nichols.
